

Event Order Form (Fillable)

Ordering Smoothline Stage Notes

Thank you for choosing Smoothline Stage Notes. For your convenience we have streamlined our system so you only need to complete our main legal agreement the first time you use Smoothline notes. For each event (including your first) you will need to complete a short Event Order Form (**this form**) containing the event-specific information.

1. **Perpetual Agreement:**

The perpetual agreement is a legal document that needs to be completed by ALL entrants, drivers and co-drivers who use Smoothline notes. This covers their use of Smoothline notes in all events thereafter unless and until the terms of this Perpetual Agreement are amended.

With each crew member required to complete the agreement, crews competing together may (but need not necessarily) complete the same copy.

2. **Event Order Form (this form):**

The event order form is a short document that needs to be completed for each event.

It requires each crew member's details but only 1 signature.

This fillable version may be completed electronically (on your computer) before printing, signing and returning by email or fax.

3. **Notes Variant:**

All first time Smoothline users are encouraged to use Medallion notes in either 1-10 (Recommended) or 1-6 for at least one event as these are the most similar to other notes available on the market. Around 70% of our customers use only Medallion Notes. If you are a first time user and believe you should use another level, please contact Smoothline on 0402 256 395 before submitting an order.

4. **Single Event License Fee:**

Smoothline Stage Notes are provided on a **single event basis**. The license fee for using Smoothline Stage Notes is specific to each level of notes and each event and is payable through www.smoothline.com.au/shop. Payment of this fee provides users the right to use Smoothline notes for one event only.

If we can help you in any way please contact us.

Regards,
Steve Glenney and Bernie Webb
